SUMMARY

Ambitious Computer Science Engineer pursuing third year, passionate about coding, algorithm design, and software development. Adept at collaborating in team environments and driven to solve complex technical challenges. Eager to contribute my skills and enthusiasm to a forward-thinking tech organization.

EDUCATION

PSNA College Of Engineering and Technology, Dindigul, TamilNadu Graduating 2025

B.E., Computer Science Engineering

8.13 CGPA

Relevant coursework: Data Structures and Algorithms, Object Oriented Programming, Operating System, Database Management Systems, Computer Networks.

TECHNICAL SKILLS

Front End tools: HTML, CSS, Java Script, JavaFx.

Back End Tools: Java Script, Java, MySQL.

Programming: Python, C, C++, Java .

Certifications: SQL(SkillRack), Python(SkillRack), Java(Offline Course), C(Offline Course).

ACADEMIC PROJECTS

Chat Application using Java 2022

Collaborated in a team of four to develop an group chat application (without the use of internet) using Java socket programming.

- Developed an chat application using Java Servlets and Socket programming.
- Recieved the best interactive project title from our guide.

Health care app using Android Studio 2023

Devolped an interactive Health Care App using Android Studio for faster communications with the right doctors.

- Grabbed the second prize in paper presentation.
- More interactive interface and runnable in lower android versions with the help of Android Studio(Electric eel).

ACHIEVEMENTS

Project Expo 2023

Got second prize under app development.

- An android application that connects users to the correct doctors.

SQL(Basics) 2023

Received certificate from Skillrack.

- Learnt basics of DDL and DML Commands in SQL.

Problem Solving 2023

Holding second rank in Skill-Rack in the whole department.

- Solved moderate problems and secured second place.

ACTIVITIES

Codigo(Coding Event) 2023

A Coding Competition for first year students of my college.

- Co-ordinated the first year students in the competition.
- Used CodeSignal platform to conduct the test.
- Awarded prize money for the winners to encourage them.
